TO HOLD EXHIBIT

Beginning January 15, the Visual Education Museum at 8-15 will hold a fine arts exhibit featuring material loaned by amateur artists in this center. The display, slated to last two weeks, will contain art work of all types.

All amateurs interested in contributing to the exhibit are invited to do so, stated Kiyotsugu Tsuchiya, director of the Visual Museum.

Paintings Featured

Paintings of Manzanar are featured in the Fine Arts Exhibit on display at 8-15. Articles of wood, metal, and leather worked by hand have been loaned to the display by amateur artists in this community, stated Kiyotsugu Tsuchiya,, director of the Visual Education Museum.

A background panorama depicting valley scenery from Mount Williamson to the Alabama Hills is now being painted on the northern end of the hall by C. T. Hibino, Tsuchiya reported.
